8. OLD BUSINESS:

Dave reported on the car show. The PIO (Public Information Officer) was not there. Dave spoke to a couple of officers and in the realm of things, it was determined that it would not work at that kind of event as it was too busy.

Dave also indicated he was going to try to reach out to the PIO and visit with her and explain who we are, what we do and if we could assist in any way. We would be happy to help.

Myron wanted it noted that the meeting place was not indicated correctly. The restaurant is Vista Hamburger, not Vista Burger. So noted.

9. NEW BUSINESS:

Jason spoke on the COVID-19 restrictions and coming up on a year. Would like the possibility of an email being sent out with the mailing address of the club, PO Box # etc. Suzanne indicated she will send out another email with the information as well as a membership list.

John spoke about spending about two hours with the new Emergency Management Director at a vaccine clinic. John spoke to them about M.A.A.R.S. past involvement & possible future involvement. It was indicated that they will rely on Law Enforcement for storm spotter activity and didn't express an opinion of the C.E.R.T. program. It appeared pretty obvious that they did not want to play ball with us.

Clay Center will be hosting a testing session from 10-2 @ the public library in Clay Center.

Short discussion on repeater procedures, then decided that would be a good topic for the next meeting.

Dave made a motion to adjourn the meeting, seconded by Suzanne – motion passed.

Next meeting will be either at Vista Hamburger, or via zoom only. Notification will be sent out later.
